4 x 2CD albums in gatefold digisleeves with booklets in slipcase

The *Anthology Collection* 8CD set includes the three groundbreaking Anthology albums from the mid-1990s, remastered in 2025 by Giles Martin, plus a new compilation, *Anthology 4*. Containing 191 tracks, the collection's studio outtakes, live performances, broadcasts and demos reveal the musical development of The Beatles from 1958 to the final single 'Now And Then' released in 2023.

Anthology 4 features 13 previously unreleased tracks and 17 songs selected from Super Deluxe versions of five classic albums. In addition to fascinating outtakes dating from 1963 to 1969, the album includes new 2025 mixes by Jeff Lynne of 'Free As A Bird' and 'Real Love'. Furthermore, *Anthology 4* presents 17 tracks that were previously unavailable on CD.

Each 2CD album in the set is housed in a gatefold digisleeve, with a 40+ page booklet featuring the original art, sleevenotes by Mark Lewisohn, and restored photos for *Anthology 1-3*; *Anthology 4* has brand new sleevenotes written by Kevin Howlett alongside photos. The outer slipcase features the original Klaus Voorman triptych art, and a 3/4 O-Card image of the band with track listing.

8CD Tracklist

Anthology 1-3 track listing remains as per original releases.
